**19 & 20 September 1998**

# ***INAUGURAL***

**PROGRAMME      50p**

Sponsored by: Croxley Green Parish Council

# From The Chairman Croxley Green Parish Council

The weekend has arrived at last and you are here. Our Inaugural Craft Fair has got off to a good start by your presence and, on behalf of the Parish Council, I extend a warm welcome.

Our Village Green has been used for special celebrations since before the turn of the century, and we have records of many regular events. Until more recent years the Green was used several times a year, not least for Cherry Sundays which occurred in the fruiting season. I can remember, as a boy, walking up the Green on a Sunday evening furnished with cherries from Stone's Orchard and casting the pits about me. It is a wonder that the Green did not become a cherry orchard in itself, there must have been tons of cherry pits cast upon its verdant stretches.

The annual Revels is recorded for many years, though we only have good

records since 1951, when the Festival of Britain was a cause for revival. It was called the Revels because originally it was held on May Day. Doubtful weather caused its moving to the nearest Saturday to the longest day and, despite folk lore to the contrary, it is generally reasonable weather.

The Parish Council feels strongly that the Green should be used more often and consequently we instituted the annual Picnic Funday in early July. In its third year we trust that it will continue to grow and become as well known as the Revels. We took a chance with the annual motor cycle rally and, despite early fears, this has proved popular and the bikers have proved to very responsible. However, this is not locally organised and we need more local events. This is especially important as the alternative village centre, the old Guildhouse is no more, a sad consequence of fire and the loss of John Dickinsons.

For more than a year, we have been planning this inaugural Craft Fair. This was no small undertaking and required much organisation. The response from professional exhibitors has been very good and local amateur groups and exhibitors have shown their confidence with their eager response. It is now there for your enjoyment.

With your support, it is hoped that we shall be able to continue this Craft Fair as an annual event which should enhance the attraction of our heritage, a marvellous Village Green available for all.

Once again,  
welcome.  
Now,  
visit our stalls  
and,  
above all,  
enjoy yourself.

## **ATTRACTIONS**

Throughout the weekend

### **Childrens Fair**

**Boucy Castle**

**Roundabout**

**Rocket**

### **The Jelly Rollers**

**"Deep Sea Jiving"**

**Interactive Walkabout Show**

**Watch**

**Skyguy Tony**

**11 metres high**

**Drunkenly dance**

**&**

**Sway in the Wind**

### **Arena Events**

**Featuring**

**Local Groups**

# **CRAFT FAIR PROGRAMME**

**SATURDAY 19 SEPTEMBER**

## Andrew Davis CBE

Andrew Davis is one of Britain's leading conductors and was raised in Watford from an early age.

He attended Chater School, Watford Boys Grammar School and then Kings College Cambridge.

His first appearance with the BBC Symphony Orchestra was in 1970. Appointed their Chief Conductor in 1989, he has maintained and enhanced the tradition of innovative programming which has given the orchestra its justly deserved reputation as one of the world's most versatile ensembles.

In September 2000, he will become Music Director and Principal Conductor of the Chicago Lyric Opera. At that point, he will relinquish his Glyndebourne Festival Opera and BBC Symphony appointments. The longest-serving Chief Conductor of the BBC Symphony Orchestra since its founder Sir Adrian Boult, he will become its first-ever Conductor Laureate, with regular London appearances, including Proms each year. He will also return to Glyndebourne as guest conductor.

In recognition of his services to music, Andrew Davis was awarded the CBE in May 1992.
